

ESTATE PLANNING CHECKLIST

Estate planning is often thought of as something that only applies to the very wealthy. In reality, there are several fundamental components of estate planning that everyone should consider to ensure their loved ones are cared for and their legacy lives on as intended. Use the checklist below to help ensure proper planning.

<p>DO YOU HAVE AN UPDATED WILL? 60% of U.S. adults do not have a will, and only 36% of parents with children under 18 have a will. If you die without a will, your estate will be probated which can be timely, expensive and public. Even if you have a will, you should review and update it at least every 5 years.</p>	<p><input type="radio"/> YES <input type="radio"/> NO</p>
<p>HAVE YOU CHOSEN A GUARDIAN FOR YOUR CHILDREN AND IS IT REFLECTED IN YOUR WILL? This is difficult to think about and a difficult decision to make, but it's critical that you identify the person(s) who will care for your children in the event something happens to you and your spouse. The guardian you've chosen should be identified in your will.</p>	<p><input type="radio"/> YES <input type="radio"/> NO</p>
