

In Pursuit of What Matters Most

Since 1948, HORAN has customized plans to control health care costs, protect your wealth and insure your life. But the end game for all that we do at HORAN is more than a set of plans. We believe good health and true wealth create a better quality of life for our clients and their families.

We focus on building genuine, lasting relationships and provide a legendary experience with every interaction so you can achieve your goals and aspirations.

We deliver Health, Wealth and Life services to individuals, families and employers designed around essential client needs, including:

- Employee Benefits Consulting
- Individual Health & Medicare
- Life & Disability Income Insurance
- Financial & Estate Planning
- Wealth Management
- Retirement Plan Consulting
